

Test Name: SET0010\_Software ID POS version and Language available.

Module: POSSG

Execution Start: 01-24-2022 13:37:42

Transaction "Software ID Language - Software ID" was completed

The screenshot displays a POS system interface during a transaction completion. At the top left, a yellow box labeled "Total" is visible. To its right is a red "Emergency STOP" button with a person icon and the number "1". Below the "Total" box is a table with columns "No. 1", "No. 2", and "No. 3". The table has headers "Quantity", "Item", and "Amount". A mouse cursor is pointing at the "Item" header. To the right of the table is a "Day Mode" button and a "More Functions" button. Below the table is a blue box containing the text: "POS 01 SG000000015P1", "Software ID :", "NAMOS 7.18.CVX.25 [7.180.1114 SG]", "WDM 2.0/67", and "continue with YES". To the right of this box is a "Reprint Till Receipt" button and a "Save/Recall Layaway" button. Below the blue box are six buttons labeled "01" through "06" with various icons. To the right of these buttons is a "Price Query" button, a "Price Override" button, and a "Receipt %Off" button. Further right is a "More MOPs" button, an "Item Keys" button, and a "Num" button. To the right of these buttons is a "Void Item" button, a "Yes Repeat" button, and a "No" button. At the bottom of the interface are buttons for "Pump Control", "Credit / Bank Card", "Plus!", "Cash", and a red "C" button. The top right corner shows a "System" status bar with the time "13:44:04" and a "1" icon. A green circle highlights a warning icon in the top right corner.
